Dear Students, Parents, Staff, and Supporters

Assalamu Alaikum,

Masha’Allah, Alhamdu’le’Llah, we are over the exciting accreditation visit by the Western Association of Schools and Colleges. The WASC visiting committee started their four day observation of the school on Sunday March 4<sup>th</sup> at 1:00 and concluded on Wednesday March 7<sup>th</sup> at 2:00. Their closing remarks in the exit meeting were favorable. They commended the school’s educational program, our students, faculty, staff, volunteers, parents, and community. They left some constructive recommendations to further improve the school. Many thanks to all of you and especially the parent volunteers who made the teams experience a memorable one.

As we approach the end of this school year, we would like to have some input from you regarding your feelings and experiences about this school year. First, we would like to get as many responses to the strategic planning questions as we can. If you have lost your copy of the survey, please call us or stop by the office to get a copy. We sincerely need your input for any improvements or future plans for the school. Second, we would like you to fill out the accompanying two surveys. Please keep in mind that you are welcome at any time to call or stop by the office to share your thoughts with us.
