Dear Parents,
Assalaam Alaikum,

We take this opportunity to welcome all the new families who joined our special City this year and hope you all (new and returning families) are enjoying a relaxing summer break. We look forward to seeing you and your children returning to school refreshed, energized, and positively charged for the new school year.

For those of you who have paid the 2007-08 registration, student fees, and first month tuition; **Thank you!**

Some important dates to remember:

August 29: "Parent and Student Welcome Assembly" (Honor Code signing Ceremony for 6-12 graders) **A must for all parents and all students, 9:00 AM.** 6-12 girl uniforms will be available for purchase. High School Students will receive class assignments.

August 29 First mothers meeting right after assembly

August 30: 1st day of school

September 3: Labor Day, no school

September 7: Back to school Night- **A must for parents** 6:30 p.m.

Your child should have a summer reading list. If you did not receive one please call the school so we can mail you a copy.

You should have received a school calendar. Based on circumstance and need, some of these dates may change. If you did not receive the calendar you can download it from our website or pick one up from the school

For those of you who have not yet paid your 2007-08 registration, tuition, and student fees:

I regret to inform you that your child's/children's names may be removed from the class list if we do not receive these fees plus the appropriate late fee by August 13th 2007. **First tuition installment was due August 1st.** I request that you make your payments on time to avoid a late fee of \$10 per month per child. **WE DO NOT NORMALLY SEND STATEMENTS. We expect you to bring the fees and tuition on your own.**

All tuition and financial aid agreements last only one year and should have been renewed by June 1st. You may still come to discuss how we can help each other. Any delay only makes our job harder and leads to last minute arrangements which are not in the best interest of the school or your child.

Enclosed with this letter is a flyer regarding FREE CHILDRENS' HEALTH FAIR. Please take advantage of it to update your child's health records. Dental screening is mandatory for all entering kindergarten students. Scoliosis screening is mandatory for 7th Grade Students.

If you have any questions please do not hesitate to call me at 909-946-1037 or 909-392-0251, or e-mail me at hshaikley@aol.com

Thank you and best wishes Jazakum Allah Khair.
