Parent-School Connection – August, 2008

Dear Parents,

Assalamu Alaikum,

I would like to open by wishing you all and the Muslim Umma a Happy Mid-Sha'aban. I hope that you all had a restful summer and are ready for the new school year. We expect all the students to have read the required summer reading list and done some productive activities during the summer. All incoming seniors should have their senior project proposals ready. We sent all of you a tentative calendar along, with the new uniform guidelines, and your child's report card. We will distribute the revised calendar and share test results at parent and student orientation-Back to school on August 25, 9:00 am-12:00 noon. We expect to see all parents new, and veterans.

As usual work never stops in summer around the school; it just gets more labor-intensive!

- We added some qualified main teachers to our faculty including Ms. Yolanda Garcia who returned back and will teach 5th grade
- Curriculum was reviewed and new adoption textbooks have been ordered for some subjects while supplemental materials were purchased for other subjects
- The maintenance team members are the busiest and most productive. Alhamdu'le'Lllah the wall around the school was raised and neither outsiders nor students can see each other. Floors were refinished and walls got a new coat of paint.

If you have any outstanding balances from last year please do pay them immediately because our fiscal year closes on August 19. Furthermore, by now you should have paid registration, student fees, and first month's tuition. All financial aid requests and agreements need to be renewed before first day of school. Call the school or sister Farzana at (909) 297-8618 to schedule an appointment. All necessary immunizations for Preschool, Kindergarten, First grade, and Seventh grade need to be updated and reports turned to school before first day of school.

All lat year volunteers who wish to continue and all new parents who want to volunteer must attend our Volunteer Orientation on Monday, August 18 at 10:00 am

I invite and encourage all of you to join us for our first PTO meeting on Thursday August 28 at 8:00 am.

We wish to open the Preschool for children ages two and a half and up. If you have a child or know of anyone who has please contact the school. We will open the class for this age group only if we have the required number. No financial aid available for Preschool

If you have any questions please do not hesitate to contact me. Looking forward to a productive and exciting new year.

Jazakum Allah Khair

Dr. Haleema Shaikley
