Dear Students, Parents, and Supporters

Assalamu Alaikum,

Masha’Allah, we are in May, the month of nervousness, impatience, and excitements.

Students are nervous because of all the standardized testing, AP exams, SATs, finals, Spelling Bees, and other competition awaiting them. Therefore all birthday parties are to be postponed till after the standardized testing. This year, for the first time our K-1 students are receiving a standardized test this month

There is a lot of excitement in and around the city because of graduation plans, cap and gown measurements, graduation pictures, and end of year plans.

Seniors are running out of patience counting the days to achieve freedom from the confines of this City, its rules, and its classes. Therefore we need to keep close supervision on their movement, and whereabouts and closer than ever contact with their teachers. All seniors will walk, however only students who fulfill their City of Knowledge graduation requirements will receive their Diplomas after the results of the final exams are turned in and all requirements are met. All our seniors are great, they just need that extra attention by their parents and adults around them.

Alhamdu’le’Llah due to your continued support of the school we are pleased to announce that the school Board recommended a tuition raise of less than 5% for the 2007-2008 school year. At the end we would like to thank all parents who paid registration fees for next year. Only students who have filled up the 2007-2008 registration form and paid registration fees by May 25 will be considered as active students for next year. Student fees after May 25 will incur a late fee of 10\$ per student per month unless arrangements have been made with the office. Students who received regrets and did not appeal it in the office will not be considered for next year.

Thank you for your commitment and support to the school. Have a happy and fruitful month!
